Triple Threat would like to thank you for considering our dance and cheer gym for your child's education. We are excited to be starting our 6th year of excellence and commitment to changing children's lives in a positive way. We strive to get to know every child on a personal basis and understand their educational needs as an individual. We know that every child learns and responds differently, and we try to make sure we know what will work for them. Please make sure to read over the following packet before you register your child to make sure you understand all of our policies, dress code, closure dates, levels, and schedule.

Triple Threat has recently moved to our new 7,200 square foot building equipped with 2 dance rooms, and a cheer room. Both dance rooms have sprung dance floors to help preserve our dancers joints and lessen the amount of injuries. Our cheer room has a full 7 panel spring cheer floor and a 30ft. Air track for students to learn new skills and gain confidence. Our new location also offers better parking, more rooms to offer more classes, and is conveniently located across from the new movie theater that will soon have new restaurants also. We hope that everyone enjoys and is happy with our new location.

Our Fall session starts Monday August 9th and ends Friday May 27th

Dance Levels

We have split up our dance levels a lot more this year to thin out our classes. Please make sure that you understand the levels before registering for classes. If you feel unsure about what level your child should be in you can contact the studio either by email dancezone@msn.com or by phone 850-683-9995.

If a student is new to dance or has only had 1 year experience in that particular discipline, they should be placed in the lower level of their age range. If they have had more than 1 year experience in the discipline they need to be placed in the higher level for their age range. So depending on what they have taken in the past they may be in different levels for different disciplines.

Toddler -Ages 2-3years

Preschool -Ages 3-4years

Pre k -Ages 4-5years

Pre- Ages 5-6 years

Level I -Ages 6-9 years

Level II -Ages 9-12 years

Level III -Ages 11 and up

Tumbling Levels

The following are the different levels for tumbling. If your child has taken a tumbling class before then you will probably know what level they will be in based on skills. If your child has never done tumbling they will start in the level 1 class. We base our levels strictly on ability, not age. Students must accomplish all skills in each level to progress to the next level, although they will work many more skills that are not on our list. These are the required skills you must have in that level to move up. Depending on how quickly a child learns they could move up to the next level in 1 week or 1 year, it all depends on the child's ability.

Level 1 - forward rolls, handstands, cartwheels, round offs, and backbend kickovers

Level 2 - standing back handspring, round off back handspring

Level 3 - round off series back handspring, standing series, round off tuck

Level 4- round off back handspring tuck, standing tuck, layouts, and fulls

Baton Levels

Baton 1 - Ages 5 and up, child's first year of baton

Baton 2 - Ages 8 and up, child has at least 1 year of experience in Baton

Policies

Discipline-

**Toddler and Preschool Levels-* students are starting to learn and understand how to follow and listen to directions. We understand that they will have problems knowing how to stand in line and constantly pay attention. We are trying to teach them how to behave in a classroom environment, but also have fun and learn to love dance. You don't want to scare them off with too much discipline, but don't want the class distracted by a particular student. We do put students in timeout if they constantly misbehave, and they do not receive their reward for a good job at the end of class.

**Pre-k and Pre levels-* These levels are a little more disciplined, but we are still working on students learning to follow directions and fall in love with dance at the same time. To accomplish this we interact certain dance skills with fun, interactive games and storylines. Students will learn the fun of dance and basic steps needed to know when progressing to the next level. We will put children that have continuous discipline problems in timeout and will not receive their good job reward at the end of class.

**All upper Level classes-* These are more advance level classes that require more discipline. We expect students to understand how to follow directions, show instructors respect, and pay attention in class. If students have a problem with any of this they will be asked to move to a lower level class to learn these vital skills. This is especially important in tumbling classes because students could get injured if they are not following directions.

Withdrawals

* You must give a 30 day written notice to withdrawal from a class.

Recital

We will be holding our annual recital at Crestview High School this year. There will be 2 shows, one for the younger kids and one for the older kids. All dance students will be required to participate in the recital.

Students will be required to purchase a costume for recital, the cost ranges anywhere

from \$50- \$100 depending on the costume.

A \$30 deposit will be due for each costume by November 15th. Although you may pay your deposit earlier if you would like. We cannot let you pay for the total amount until the costume is done.

Along with your costume you will be required to have the proper shoes and tights for the recital to participate.

Along with the recital we will have pictures taken in April. You may or may not purchase these pictures. Even if you don't plan on purchasing any you should come to take them because they will be in our program book at the recital.

You may also purchase a program ad to place in our recital program book. We do have a business ad contest to see who can sell the most business ads also. You could win free tuition for one year.

We will start selling recital tickets at the beginning of May. You may purchase your tickets at our studio. The tickets will be \$5 for adults, \$4 for children, and \$2 for Triple Threat students ahead of time. They will be \$6 for adults, \$5 for children, and \$3 for Triple Threat students at the door. If you plan on watching both shows you may purchase a discount tickets of \$8 for adults, \$6 for children, and \$3 for Triple Threat student ahead of time to watch both shows. We will not sell discount tickets at the door, you will have to pay full price for both shows.
