Triple Threat would like to thank you for considering our dance and cheer gym for your child's education. We are excited to be starting our 7<sup>th</sup> year of excellence and commitment to changing children's lives in a positive way. We strive to get to know every child on a personal basis and understand their educational needs as an individual. We know that every child learns and responds differently, and we try to make sure we know what will work for them. Please make sure to read over the following packet before you register your child to make sure you understand all of our policies, dress code, closure dates, levels, and schedule.

Triple Threat has recently moved to our new 7,200 square foot building equipped with 2 dance rooms, and a cheer room. Both dance rooms have sprung dance floors to help preserve our dancer's joints and lessen the amount of injuries. Our cheer room has a full 7 panel spring cheer floor and a 30ft. Air track for students to learn new skills and gain confidence. Our new location also offers better parking, more rooms to offer more classes, and is conveniently located across from the new movie theater that will soon have new restaurants also. We hope that everyone enjoys and is happy with our new location.

Our Fall session starts Monday August 1<sup>st</sup> and ends Friday May 18<sup>th</sup>

Registration begins on Saturday July 16<sup>th</sup>

## ***Dance Levels***

We have split up our dance levels a lot more this year to thin out our classes. Please make sure that you understand the levels before registering for classes. If your child has been in a specific discipline for at least 2 years they may be placed in the higher level. Triple Threat staff has the right to move them to the appropriate level if needed. If you feel unsure about what level your child should be in you can contact the studio either by email [dancezone@msn.com](mailto:dancezone@msn.com) or by phone 850-683-9995.

**Preschool** -Ages 2 ½ -3years

**Pre-** Ages 4-5years

**Level I** -Ages 6-9 years

**Level II** -Ages 9-12 years

**Level III** -Ages 11 and up

## ***Tumbling Levels***

The following are the different levels for tumbling. If your child has taken a tumbling class before then you will probably know what level they will be in based on skills. If your child has never done tumbling they will start in the level 1 class. We base our levels strictly on ability, not age. Students must accomplish all skills in each level to progress to the next level, although they will work many more skills that are not on our list. These are the required skills you must have in that level to move up. Depending on how quickly a child learns they could move up to the next level in 1 week or 1 year, it all depends on the child's ability.

**Level 1** - forward rolls, handstands, cartwheels, round offs, and backbend kickovers

**Level 2** - standing back handspring, round off back handspring

**Level 3** - round off series back handspring, standing series, round off tuck

**Level 4**- round off back handspring tuck, standing tuck, layouts, and fulls

## ***Baton Levels***

Baton - Ages 5 and up

## **Policies**

### **Discipline-**

*\*Preschool and Pre Levels-* students are starting to learn and understand how to follow and listen to directions. We understand that they will have problems knowing how to stand in line and constantly pay attention. We are trying to teach them how to behave in a classroom environment, but also have fun and learn to love dance. You don't want to scare them off with too much discipline, but don't want the class distracted by a particular student. We do put students in timeout if they constantly misbehave, and they do not receive their reward for a good job at the end of class.

*\*All upper Level classes-* These are more advance level classes that require more discipline. We expect students to understand how to follow directions, show instructors respect, and pay attention in class. If students have a problem with any of this they will be asked to move to a lower level class to learn these vital skills. This is especially important in tumbling classes because students could get injured if they are not following directions.

### **Withdrawals**

\* You must give a 30 day written notice to withdrawal from a class.

NO EXCEPTIONS!!!!

\* If a 30 day written notice is not given you will be charged for the following month.

\* Triple Threat will not accept any verbal withdrawals.

## Dress Code

To make sure that your child has the proper dance shoes for class, we ask that you get your shoes in our dancewear store, if you don't do it now you will be required to before recital so all students have the same shoes. Our dancewear store also has the proper dance attire and tights needed for class. They will be more than happy to help you get the proper clothing for class. Please make sure to take care of this before class starts because some things may need to be ordered. Students will have 1 week to get the proper attire for class after that they will not be allowed to participate.
